

Transport Access Program

North Strathfield Station Upgrade

Community Notification

June 2019

Project update

Work is progressing at North Strathfield Station, with the installation of new communications and electrical cabling, concreting of lift pits and shafts, and upgrades to the existing station communications room are all underway.

Upcoming weekend work

We have work coming up that will be undertaken outside of standard work hours for the safety of workers, and pedestrians.

Work will include completion of the installation of the lift 1 structure and the footbridge tie in.

Subject to approval, this work will occur between:

- **6am to midnight on Saturday 22 June**
- **6am on Sunday 23 to 2am on Monday 24 June**

Equipment to be used will include scissor lifts, delivery trucks, construction vehicles, cranes, as well as lighting towers, power and hand tools.

Temporary traffic changes

From **6am Saturday 22 to 2am Monday 24 June** a crane will be positioned in the construction site compound on Queen Street to assist with the placement of the new lift shaft and footbridge.

Traffic controllers will be available to assist motorists and pedestrians with any changes to traffic on Queen Street during this work.

North Strathfield Station will remain open and access will not be affected. The map on the overleaf reflects the work in the area.

Standard working hours

Standard working hours are between **7am to 6pm, Monday to Friday and 8am to 1pm Saturdays**.

We understand the upgrades to the station can bring some inconvenience during construction and thank you for your patience during this time.
