

Transport Access Program

Petersham Station Upgrade

Have your say

The NSW Government is improving accessibility at Petersham Station.

Have your say on the proposed improvements to Petersham Station. Key features include:

- two new lifts connecting the existing footbridge to the Terminus Street station entrance and the station platform
- a new access ramp and stairs from the Trafalgar Street station entrance to the existing footbridge
- upgrade works to the existing footbridge and stairs
- a new accessible parking space adjacent to the Terminus Street lift
- a formalised kiss and ride area on Terminus Street
- new bicycle parking on both sides of the station
- improved amenities such as new male and female ambulant toilets, a new family accessible toilet, CCTV and lighting.

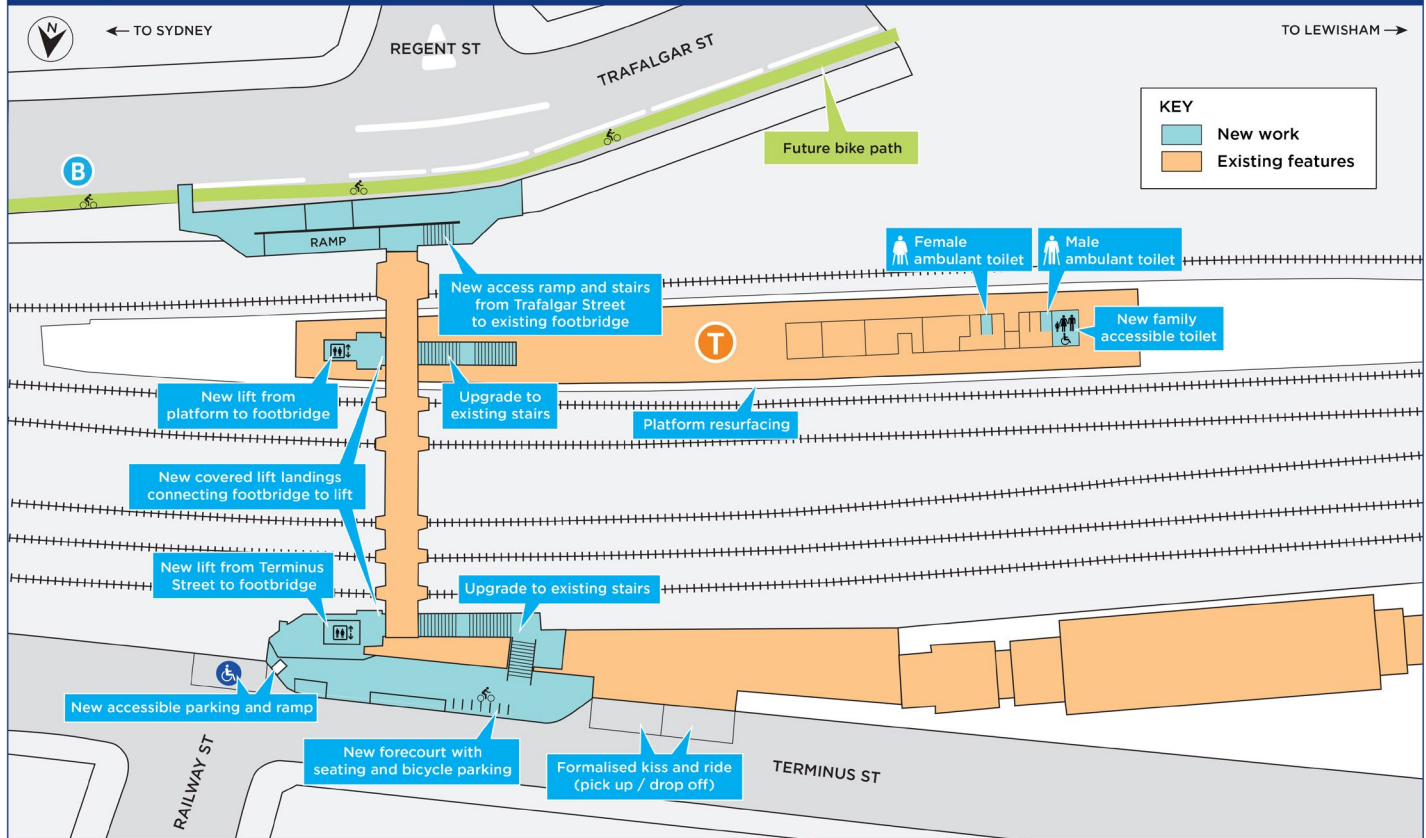

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Petersham Station Upgrade would aim to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

Key features of the proposal

Key features of the proposed Petersham Station Upgrade, subject to detailed design.

Have your say

The Review of Environmental Factors is on public display from **Wednesday 30 October 2019 until Wednesday 13 November 2019**, and community feedback is invited during this time.

To view the REF, please scan the QR code or visit:

- www.transport.nsw.gov.au/petersham
- www.nsw.gov.au/improving-nsw/have-your-say/petersham-station-upgrade
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Inner West Council Petersham Service Centre**
2-14 Fisher Street, Petersham
- **Stanmore Library**
Stanmore Reserve, Douglas Street, Stanmore

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program – Petersham Station Upgrade**
Associate Director Environmental
Impact Assessment
Transport for NSW
Locked Bag 6501
St Leonards NSW 2065

Please provide your feedback by
5pm Wednesday 13 November 2019.

Your feedback will help Transport for NSW understand what is important to customers and the community.

Visit the Transport Access Program website at www.transport.nsw.gov.au/petersham or scan the QR code to virtually explore the proposed station upgrades and leave your feedback.

Next steps

Transport for NSW develops initial concept design options for the project including identification and consideration of environmental constraints, risks and opportunities.

We are
here

Transport for NSW prepares a Review of Environmental Factors (REF) for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submissions report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.
Conditions of Approval made available on Transport for NSW website.

Construction commences subject to compliance with conditions.
Subject to planning approval, construction is expected to commence in early 2020 and take around 18 months to complete.

Come and meet the project team

The Transport for NSW project team will be located at Petersham Station on **Monday 4 November 2019 from 4.30pm to 6.30pm** to answer any questions you may have on the project.

Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

- The Review of Environmental Factors (REF) is a planning document outlining the proposed works, potential impacts and mitigation measures.
- The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Biodiversity, Visual Impact, Noise and Vibration and Heritage.
