

Redfern Station Upgrade

New Southern Concourse

COMMUNITY NOTIFICATION

DECEMBER 2019

Investigations are underway to plan for a new southern concourse at Redfern Station.

The Redfern Station Upgrade – New Southern Concourse aims to provide a station that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage. Upgrading the station will make it easier for all customers to access, reduce congestion on the platforms and improve connections between the station and key destinations in the area.

Weekend site investigation work

From **4.30am Saturday 7 December to 12.30am Sunday 8 December**, and as contingency from **4.30am to 3pm Sunday 8 December 2019** investigative borehole drilling will be undertaken on Platforms 2/3 at Redfern Station.

Equipment for this work will be delivered to site via the rail corridor entrance on Carriageworks Way from the Eveleigh compound. The equipment will be delivered between **4:30am – 7am on Saturday 7 December** and will be returned following completion of work.

Maps of the work area is provided overleaf. If you would like to speak with the project team about this work, please contact us by calling **1800 684 490** or by emailing us at **projects@transport.nsw.gov.au**.

For up-to-date information about train services during this time visit **transportnsw.info**.

What you may notice

Equipment to be used during the investigations includes light vehicles, a hi-rail crane truck, a small drill rig, a generator, a concrete saw, a pressure washer, a plate compactor, hand and power tools.

Transport for NSW is committed to minimising noise impacts on the community and equipment will be switched off when it is not being used.

Keeping you informed
