

Sutherland to Cronulla Active Transport Link

The Sutherland to Cronulla Active Transport Link (SCATL) is a pedestrian and bicycle path between Sutherland and Cronulla to help make walking and bike riding a more convenient, safer and enjoyable transport option.

Weekend work

On **Saturday 19 October** work will occur between **7am and 6pm** between Merton Street and Belmont Street to continue the new path and to upgrade the existing car spaces. This work will be completed outside normal work hours to minimise impacts to St Patricks College.

There may be temporary traffic changes during this work to ensure the work zone is safe. Please keep to the speed limits and follow signs and traffic controllers' directions.

If you would like to speak to the project team about this work, please contact us on 1800 684 490 or email projects@transport.nsw.gov.au.
