

New Intercity Fleet

Stations and Signalling Modifications

Community Notification – Emu Plains Station

The NSW Government is delivering a New Intercity Fleet to replace trains carrying customers between Sydney and the Central Coast, Newcastle, the Blue Mountains and the South Coast. The new trains will feature:

- wider seats with arm rests, tray tables and high seat backs
- two-by-two seating for extra room and comfort
- improved accessibility including wheelchair access and accessible toilets
- improved customer information through digital information screens and announcements
- dedicated spaces for luggage, prams, bicycles and wheelchairs
- charging ports for electronic devices
- CCTV and help points
- modern heating and air conditioning

Project overview

Modifications and upgrades are needed to the existing rail infrastructure at various stations along the Blue Mountains Line to support the introduction of the New Intercity Fleet and allow for improved technology on the new trains.

Upcoming work

We will be working at **Emu Plains Station** from **Monday 4 November to Monday 11 November 2019**, weather permitting. Work includes site compound mobilisation, and platform extension work including piling work and concrete pouring.

To minimise disruption to train customers and to help ensure the safety of workers and the community, some of this work will take place during the **weekend from 6am Saturday 9 November to 7am Monday 11 November 2019**.

We will also be working during standard construction hours from **7am to 6pm Monday to Friday**, and **8am to 1pm Saturday**.

To ensure the safety of our customers and staff, some of this work will be completed during scheduled Sydney Trains trackwork. Train services may be affected. Please contact Transport Info on 131 500 or visit transportnsw.info for more information.

What you may notice

Equipment to be used includes excavators, piling rigs, dump trucks, generators and hand tools.

From 11pm Thursday 7 November to 5pm Monday 11 November some car parking spaces will be temporarily unavailable, including:

- **up to 24 car spaces** in the station commuter car park
- **up to 13 car parking spaces** in the Penrith Council car park, located at the corner of Mackellar and Lee streets

Transport for NSW is committed to minimising disruption to the community. Work may be noisy at times. We will take every possible step to reduce noise such as turning off machinery when not in use and locating equipment as far away from residents and businesses as possible.

More information

If you have any questions, concerns or would like more information about this work, please contact **1800 684 490**, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects.

For urgent enquiries or complaints about our construction activities, please our 24-hour construction response line on **1800 775 465**.

Map of work area

This document contains information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call the Transport Projects Division on **(02) 9200 0200**. The interpreter will then assist you with translation.
