(a) submits to the non-exclusive jurisdiction of the courts of New South Wales and the courts competent to determine appeals from those courts, with respect to any action or proceedings which may be brought at any time relating in any way to this deed; and

(b) waives any objection it may now or in the future have to the venue of any action or proceedings, and any claim it may now or in the future have that any action or proceedings have been brought in an inconvenient forum, if that venue falls within clause 12.3(a).

12.4 **Principal as a public authority**

(a) This deed will not in any way unlawfully restrict or otherwise unlawfully affect the unfettered discretion of the Principal to exercise any of its functions and powers pursuant to any Law.

(b) Each of the Independent Certifier, the LW Contractor and the Operator acknowledges and agrees that, without limiting clause 12.4(a), anything which the Principal does, fails to do or purports to do pursuant to its functions and powers under any Law will be deemed not to be an act or omission by the Principal under this deed and will not entitle any of the Independent Certifier, the LW Contractor or the Operator to make any claim against the Principal.

(c) The parties agree that clauses 12.4(a) and 12.4(b) are taken not to limit any liability which the Principal would have had to the Independent Certifier, the LW Contractor or the Operator under this deed as a result of a breach by the Principal of a term of this deed but for clauses 12.4(a) and 12.4(b) of this deed.

12.5 **Amendments**

This deed may only be varied by a deed executed by or on behalf of each of the parties.

12.6 **Waiver**

(a) Failure to exercise or enforce, or a delay in exercising or enforcing, or the partial exercise or enforcement of, a right, power or remedy provided by Law or under this deed by a party does not preclude, or operate as a waiver of, the exercise or enforcement, or further exercise or enforcement, of that or any other right, power or remedy provided by Law or under this deed.

(b) A waiver or consent given by a party under this deed is only effective and binding on that party if it is given or confirmed in writing by that party.

(c) No waiver of a breach of a term of this deed operates as a waiver of another breach of that term or of a breach of any other term of this deed.
12.7 **Cost of performing obligations**

Each party must, unless this deed expressly provides otherwise, pay its own costs and expenses in connection with performing its obligations under this deed.

12.8 **Further acts and documents**

Each party must promptly do all further acts and execute and deliver all further documents (in form and content reasonably satisfactory to that party) required by Law or reasonably requested by another party to give effect to this deed.

12.9 **Consents**

A consent required under this deed from a party may be given or withheld, or may be given subject to any conditions, as that party (in its absolute discretion) thinks fit, unless this deed expressly provides otherwise.

12.10 **Assignment**

The LW Contractor cannot assign, novate or otherwise transfer any of its rights, interests or obligations under this deed without the prior written consent of the Principal and except on such terms as are determined in writing by the Principal.

(c) **Assignment and novation by the Principal**

(i) Without limiting clause 12.11, the Principal may:

(A) assign, novate or otherwise transfer all or any part of its rights under this deed without the Independent Certifier, LW Contractor or the Operator's prior approval, provided that the assignee, novatee or transferee (as applicable) is also a party to whom the Principal is assigning, novating or transferring its rights under the Line-wide Contract in accordance with the terms of the Line-wide Contract; and

(B) not otherwise assign, novate or otherwise transfer all or any part of its rights under this deed without each of the Other Parties' prior written consent (which must not be unreasonably withheld or delayed),

and may disclose to a proposed assignee, novatee or transferee any information in the possession of the Principal relating to the Independent Certifier, LW Contractor or the Operator.

(ii) The Independent Certifier, the LW Contractor and, from the Accession Date, the Operator agree to such assignment, novation or transfer such that no further consent is required.

(iii) In the case of a novation by the Principal under this clause:
the Principal will be released from its obligations under this deed and the respective rights of the Principal, the Independent Certifier, the LW Contractor and, from the Accession Date, the Operator against one another under this deed will cease;

(B) the novated agreement will be on the same terms as this deed, such that the incoming party, the Independent Certifier, the LW Contractor and, from the Accession Date, the Operator will assume the same obligations to one another and acquire the identical rights against one another as the rights and obligations discharged under clause 12.10(c)(iii)(A), except that the incoming party replaces the Principal for all purposes under the agreement; and

(C) the Independent Certifier, the LW Contractor and, from the Accession Date, the Operator consent to the disclosure by or on behalf of the Principal to the incoming party of their confidential information for the purposes of the novation.

(iv) The Principal may at any time enter into any subcontracting, delegation or agency agreements or arrangements in relation to any of its functions.

12.11 Transfer of functions or Public Transport Agency assets

(a) The parties acknowledge that:

(i) a Public Transport Agency may be reconstituted, renamed, dissolved, replaced or restructured and that some or all of the powers, functions, assets, rights, liabilities or responsibilities of a Public Transport Agency may be transferred to or vested in another entity;

(ii) if a Public Transport Agency is reconstituted, renamed, dissolved, replaced or restructured and/or some or all of that Public Transport Agency’s powers, functions, rights or responsibilities are transferred to or vested in another entity, then unless otherwise notified by the Public Transport Agency, references in this deed to that Public Transport Agency must, subject to any facilitative legislation, be deemed to refer, as applicable, to the reconstituted, renamed, restructured or new entity or entity replacing that Public Transport Agency to the extent that such entity has assumed or has had transferred to it or vested in it those powers, functions, rights or responsibilities; and

(iii) a Public Transport Agency may be required to or may, at its absolute discretion, elect to (including as a result of changes to New South Wales government policy or directions) acquire, or dispose of, any property or assets.

(b) The Independent Certifier, the LW Contractor and, from the Accession Date, the Operator acknowledge and agree that they must, to the extent required by a Public Transport Agency and without limiting any facilitative legislation, negotiate in good faith any variations required to this deed, or any replacement agreement or agreements for this deed to give effect to a Public Transport Agency being reconstituted, renamed, dissolved, replaced or restructured.

(c) The Independent Certifier, the LW Contractor and, from the Accession Date, the Operator will be taken for all purposes to have consented to, and will not have, and no Public Transport Agency will be liable for, any claim as a result of any action, matter or circumstance referred to in, or contemplated by this clause 12.11.
(d) For the purposes of this clause 12.11, "another entity" means a government or semi-government entity including any agency, statutory corporation, statutory authority, department or state owned corporation.

12.12 **Replacement body**

Where a reference is made to any Authority, institute, association, body, person or organisation (Former Body) which is reconstituted, renamed, replaced, ceases to exist or has its powers or functions transferred to another Authority, institute, association, body, person or organisation, that reference will be deemed to refer to the Authority, institute, association, body, person or organisation (Replacement Body) which then serves substantially the same powers, functions or objects as the Former Body. Any reference to any senior officer of the Former Body will be to the equivalent senior officer of the Replacement Body.

12.13 **Counterparts**

This deed may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the deed of each party who has executed and delivered that counterpart.

12.14 **No representation or reliance**

(a) Each party acknowledges that no party (nor any person acting on a party's behalf) has made any representation or other inducement to it to enter into this deed, except for representations or inducements expressly set out in this deed.

(b) Each party acknowledges and confirms that it does not enter into this deed in reliance on any representation or other inducement by or on behalf of any other party, except for representations or inducements expressly set out in this deed.

12.15 **Expenses**

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with negotiating and preparing this deed.

12.16 **Entire agreement**

To the extent permitted by Law, in relation to its subject matter, this deed (together with the Accession Deed from the time of accession by the Operator):

(a) embodies the entire understanding of the parties, and constitutes the entire terms agreed by the parties; and

(b) supersedes any prior written or other agreement of the parties.

12.17 **Indemnities**

(a) Each indemnity in this deed is a continuing obligation, separate and independent from the other obligations of the parties, and survives termination, completion or expiration of this deed.

(b) It is not necessary for a party to incur expense or to make any payment before enforcing a right of indemnity conferred by this deed.

(c) A party must pay on demand any amount it must pay under an indemnity in this deed.
12.18 **No agency, partnership, joint venture or other fiduciary relationship**

Nothing in this deed will be construed or interpreted as:

(a) conferring a right in favour of any party to enter into any commitment on behalf of another party or otherwise to act as agent of another party; or

(b) constituting the relationship between any two or more of the parties (or all of the parties) as that of partners, joint venturers or any other fiduciary relationship.

12.19 **Severance**

If at any time any provision of this deed is or becomes void, illegal, invalid or unenforceable in any respect under the law of any jurisdiction, then that will not affect or impair:

(a) the legality, validity or enforceability in that jurisdiction of any other provision of this deed; or

(b) the legality, validity or enforceability under the law of any other jurisdiction of that or any other provision of this deed.

12.20 **Moratorium legislation**

To the fullest extent permitted by Law, the provisions of all Laws which at any time operate directly or indirectly to lessen or affect in favour of a party any obligation under this deed, or to delay or otherwise prevent or prejudicially affect the exercise by a party of any right, power or remedy under this deed or otherwise, are expressly waived.
