

Transport Access Program

Toongabbie Station Upgrade

Community Notification

February 2019

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Completed works at Toongabbie station

Project Overview

Toongabbie Station Upgrade is now complete and fully accessible. Minor maintenance works will be undertaken in February 2019.

Upcoming weekend and night work

From **8am Saturday 2 February to 6pm Sunday 3 February 2019** there will be minor maintenance and required electrical work at Toongabbie Station.

This work will mostly involve intermittent use of hand tools, as well as a period with a flat-bed truck and small crane. Some of these works may be noisy and we will try to reduce the impacts where possible. Mitigation measures will include only using noisy machinery when there are no other alternatives, turning off machinery when not in use, and noise monitoring during any activities being undertaken outside of standard working hours.

To ensure the safety of customers and staff, these works will be undertaken during a scheduled Sydney Trains trackwork period when no trains will be running. Please call **131 500** or visit **transportnsw.info** for up to date information regarding services and replacement buses during this time.

Keeping the community informed

If you would like to speak with the project team about this work, please email projects@transport.nsw.gov.au or call **1800 684 490**.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Thank you for your patience and understanding during this work.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call Transport for NSW on (02) 9200 0200. The interpreter will then assist you with translation.
