

Sydney Trains

Hornsby Maintenance Centre track maintenance

From Saturday 28 September to Monday 30 September

What we're doing

Sydney Trains is undertaking maintenance work within Hornsby Maintenance Centre from Saturday 28 September to Monday 30 September.

To improve service reliability, we're working on:

- general routine maintenance
- signal and track maintenance
- track and turnout welding
- track reconstruction.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 28 September until 2am Monday 30 September.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
