Sydney Trains

Lidcombe track maintenance

From Tuesday 29 October to Wednesday 6 November

What we’re doing
Sydney Trains is undertaking maintenance at Lidcombe from Tuesday 29 October to Wednesday 6 November. To improve service reliability, we’re working undertaking track renewal works. We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise
- These works may create additional noise at night and over the weekend.
- Work will take place around the clock from 11pm Friday 1 November until 2am Monday 4 November.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
- Heavy vehicles will be using Church Street and Railway Street to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- To enable safe access for work vehicles and machines, street parking will be unavailable in sections of Church Street and Railway Street, Lidcombe from 11pm Friday 1 November to 2am Monday 4 November. Please refer to map on Page 2.
- Traffic controllers will be on duty to direct motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
