Katoomba improvement works

From Friday 8 November 2019 to Monday 11 November 2019

What we’re doing
Sydney Trains is undertaking maintenance work at Katoomba from Friday 8 November to Monday 11 November.
To improve the condition of the station we’re undertaking platform strengthening works on Platform 1.
We understand that this work will have an impact on you and your neighbours. We appreciate your patience and understanding.

How this affects you

Noise
• These works may create additional noise at night and over the weekend. We apologise for the inconvenience this may cause.
• Work will take place around the clock from 7am Friday 8 November to 5pm Monday 11 November.
• Equipment may be delivered to the worksite outside of this time.
• Due to travel restrictions on large vehicles, some of these deliveries may need to take place at night.
• Equipment to be used during this work includes drill rigs, core drills, compressors, hi-rail trucks, a loader and an excavator. Majority of the drilling works will take place during daylight hours.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
• Work vehicles will access the rail corridor via Goldsmith Place.
• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
