Lidcombe to Sefton track maintenance

From Saturday 9 November to Monday 11 November

What we’re doing
Sydney Trains is undertaking maintenance between Lidcombe and Sefton from Saturday 9 November to Monday 11 November.

To improve service reliability, we’re working on:

• rerailing at Sefton Park Junction
• routine civil, signal and electrical maintenance
• turnout refurbishment at Sefton
• litter and graffiti removal
• vegetation maintenance.

How this affects you

Noise
• These works may create additional noise at night and over the weekend.
• Work will take place around the clock from 2am Saturday 9 November until 2am Monday 11 November.
• Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
• Diesel work trains will be kept on site and may be idling for extended periods.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
