Sydenham to Tempe track maintenance

From Saturday 9 November to Monday 11 November

What we’re doing

Sydney Trains is undertaking maintenance between Sydenham and Tempe from Saturday 9 November to Monday 11 November.

At Sydenham Station, Sydney Metro will be undertaking service investigations, track reconditioning, cabling, bridge and culvert works. Work will also involve installing drainage pits, overhead wire, signal equipment, testing and commissioning in preparation for the upgrade to Sydney Metro standards.

Sydney Trains is working on:

- turnout refurbishment at Sydenham
- routine civil, signal and electrical maintenance
- litter and graffiti removal
- vegetation maintenance

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 9 November until 2am Monday 11 November.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
