Lidcombe to Flemington track maintenance

From Tuesday 19 November to Thursday 21 November

What we’re doing
Sydney Trains is undertaking maintenance between Lidcombe and Flemington via Olympic Park from Tuesday 19 November to Thursday 21 November.

To improve service reliability, we’re working on:

• plain track resurfacing
• routine civil, signal and electrical maintenance
• signal LED upgrade works
• station litter removal
• vegetation maintenance.

How this affects you

Noise

• These works may create additional noise on weeknights.
• **Work will take place nightly between 12.30am and 4am from Tuesday 19 November to Thursday 21 November.**
• Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
• Diesel work trains will be kept on site and may be idling for extended periods.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
