Macdonaldtown to North Sydney track maintenance

From Saturday 16 November to Monday 18 November

What we’re doing

Sydney Trains is undertaking maintenance between Macdonaldtown and North Sydney from Saturday 16 November to Monday 18 November.

At Central Station, Sydney Metro are:

• working on Platforms 16-23, Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
• excavating for the Metro platforms (underground former Platforms 13, 14-15).

Sydney Trains is working on:

• overhead wiring rebuild at Lavender Bay
• plain track and turnout Resurfacing
• rail and turnout grinding
• retransoming works at Sydney Harbour Bridge
• routine civil, signal and electrical maintenance
• track reconditioning and rerailing at Central
• turnout defect works at Eveleigh Yard
• litter and graffiti removal
• vegetation maintenance.

How this affects you

Noise

• These works may create additional noise at night and over the weekend.
• Work will take place around the clock from 12.45am Saturday 16 November until 2am Monday 18 November.
• Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
• Diesel work trains will be kept on site and may be idling for extended periods.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
