Redfern to Sydenham track maintenance

From Saturday 30 November to Monday 2 December

**What we’re doing**

Sydney Trains is undertaking maintenance between Redfern and Sydenham from Saturday 30 November to Monday 2 December.

To improve service reliability, we’re working on:

- plain track and turnout resurfacing
- rail and turnout grinding
- rerailing works at Redfern
- routine civil, signal and electrical maintenance
- litter and graffiti removal
- vegetation maintenance.

**How this affects you**

**Noise**

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 30 November until 2am Monday 2 December.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

**Traffic and Parking**

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
