Wolli Creek to Hurstville track maintenance

From Saturday 7 December to Monday 9 December

What we’re doing
Sydney Trains is undertaking maintenance between Wolli Creek and Hurstville from Saturday 7 December to Monday 9 December.

To improve service reliability, we’re working on:

- civil track maintenance
- minor platform surface repairs between Arncliffe and Allawah
- plain track and turnout resurfacing
- rerailing at various locations
- routine signal and electrical maintenance
- station upgrade works at Banksia
- track reconstruction between Banksia and Rockdale
- litter and graffiti removal
- vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 7 December until 2am Monday 9 December.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
