

Sydney Trains

Hurstville to Waterfall track maintenance

From Saturday 14 December to Monday 16 December

What we're doing

Sydney Trains is undertaking maintenance between Hurstville and Waterfall from Saturday 14 December to Monday 16 December.

To improve service reliability, we're working on:

- ballast cleaning between Mortdale and Como
- drainage works at Waterfall
- embankment and cutting works various locations
- Engadine footbridge repair works
- plain track and turnout resurfacing
- rail and turnout grinding
- routine civil, signal and electrical maintenance
- station upgrade works at Oatley and Como
- litter and graffiti removal
- vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 14 December until 2am Monday 16 December.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
