Erskineville to Campsie
track maintenance

From Saturday 21 December to Monday 23 December

What we’re doing

Sydney Trains is undertaking maintenance between Erskineville and Campsie from Saturday 21 December to Monday 23 December.

Between Marrickville and Campsie, Sydney Metro will be carrying out work for combined services route and installing galvanised steel trough in the rail corridor. In order to complete these works safely, for the duration of the possession there will be a road closure on Terrace Road, Dulwich Hill.

At Sydenham Station, Sydney Metro will be removing overhead wire, installing signal equipment and testing and commissioning.

Sydney Trains is working on:

• civil track maintenance
• routine signal and electrical maintenance
• station maintenance works, to improve safety on stations
• litter and graffiti removal
• vegetation maintenance.

How this affects you

Noise

• These works may create additional noise at night and over the weekend.
• Work will take place around the clock from 11.55pm Saturday 21 December until 2am Monday 23 December.
• Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
• Diesel work trains will be kept on site and may be idling for extended periods.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
