

Sydney Trains

Granville to Cabramatta track maintenance

From Friday 20 December to Monday 23 December

What we're doing

Sydney Trains is undertaking maintenance between Granville and Cabramatta from Friday 20 December to Monday 23 December.

To improve service reliability, we're working on:

- plain track and turnout resurfacing
- rail and turnout grinding
- routine civil, signal and electrical maintenance
- station upgrade works, to improve safety on stations
- litter and graffiti removal
- vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 11pm Friday 20 December until 2am Monday 23 December.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
