

Sydney Trains

Clyde to Carlingford track maintenance

From Monday 21 October to Friday 25 October

What we're doing

Sydney Trains is undertaking maintenance between Clyde and Carlingford from Monday 21 October to Friday 25 October.

To improve service reliability, we're working on:

- civil track maintenance
- routine signal and electrical maintenance
- station litter removal
- vegetation maintenance.

How this affects you

Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 9pm and 4am from Monday 21 October to Friday 25 October.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
