Redfern to Hornsby track maintenance

From Monday 11 November to Friday 15 November

What we’re doing
Sydney Trains is undertaking maintenance between Redfern and Hornsby from Monday 11 November to Friday 15 November.

At Central Station, Sydney Metro are:
• working on Platforms 16-23, Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
• excavating for the Metro platforms (underground former Platforms 13, 14-15).

Between Artarmon and Chatswood stations, Sydney Metro is also undertaking, drainage improvement work, signalling and electrical upgrades and track earthworks to prepare for the future connection of Sydney Metro Northwest and Sydney Metro City & Southwest.

Sydney Trains is working on:
• civil track maintenance
• routine signal and electrical maintenance
• station litter removal
• station maintenance works, to improve safety on stations.

How this affects you

Noise
• These works may create additional noise on weeknights.
• Work will take place nightly between 10.30pm and 4am from Monday 11 November to Friday 15 November.
• Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
• Diesel work trains will be kept on site and may be idling for extended periods.
• Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
• Heavy vehicles will be using local streets to access the rail corridor.
• While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
