Central to Hurstville track maintenance

From Tuesday 24 December to Saturday 28 December

What we’re doing
Sydney Trains is undertaking maintenance between Central and Hurstville from Tuesday 24 December to Saturday 28 December.

At Sydenham Station, Sydney Metro is undertaking work as part of the T3 Bankstown Line closure to upgrade the line to Sydney Metro standards. You will receive a separate Sydney Metro notification for this work.

Sydney Trains is working on:
- civil track maintenance
- routine signal and electrical maintenance
- station litter removal
- station upgrade works, to improve safety on stations.

How this affects you

Noise
- These works may create additional noise at night.
- Work will take place around the clock from 8pm Tuesday 24 December until 10am Saturday 28 December.
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Rail replacement buses will be in operation during this time. Parking changes will be in place at some stations for temporary bus stops and bus zones.

Customers travelling by public transport during this time should plan ahead and allow extra travel time, especially if heading to the airport. Plan your trip at transportnsw.info and on real time apps.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
