St Marys Substation upgrade works
From Monday 15 July 2019 to Monday 20 January 2020

What we’re doing
Sydney Trains is undertaking maintenance work at St Marys Substation from Monday 15 July to Monday 20 January 2020.

We’re constructing an extension onto the St Marys Substation and replacing electrical equipment.

We understand this work may have an impact on you and your neighbours and we appreciate your patience and understanding.

How this affects you

Noise
- These works may create additional noise during the day and over the weekend.
- Weekday work will take place between 7am and 6pm from Monday 15 July 2019 to Monday 20 January 2020.
- Weekend work will take place between 6am and 4.30pm from Saturday 20 July 2019 to Sunday 19 January 2020.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Finishing works may take place following this period, including the removal of equipment.
- These works may create additional noise and vibrations.

Traffic and Parking
- Heavy vehicles will be using Harris Street and Glossop Street to access the substation.
- Traffic controllers will be on duty throughout the duration of the works to direct movements into and out of the substation.
- While we will park our vehicles inside the substation complex where possible, please be aware that on-street parking may be limited near the worksite.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
