

Transport Access Program

Waratah Station Upgrade

Project Update

4 November 2019

The Waratah Station Upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Project overview

Transport for NSW is upgrading Waratah Station to make it easier for everyone to access, including people with a disability, limited mobility, parents/carers with prams and customers with luggage.

November work

Construction activities will continue in November and will include:

- concrete work for the external lift on Railway Terrace
- installation of roofing and cladding for the external lift on Platt Street
- work to the station toilets and waiting room
- construction of new access stairs leading to Platform 2.

Equipment to be used includes jack hammers, excavators, mobile crane, truck-mounted crane, concrete pumps, delivery trucks, vacuum truck, power and hand tools.

For more information call 1800 684 490.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/waratah.

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

Standard construction hours

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. Notifications of any work occurring outside of these standard hours will be given prior to work commencing.

Night work – 19 to 22 November

Commencing **Tuesday 19 November 2019** until **Friday 22 November 2019** night work will be carried out at the station, weather permitting. The work be carried out over three nights **between 8pm and 4am**. Activities include using a mobile crane and elevated work platforms to install of cladding, glazing and roofing materials to the Platform 1 lift shaft.

Equipment used includes mobile cranes, elevated work platform, forklift, delivery trucks, temporary lighting, power and hand tools.

The construction plant will be positioned as far away from residential areas as possible with regular respite periods for any noisy work.

Pedestrian and traffic detours

To safely operate construction equipment at night, some traffic and pedestrian access changes will be in place at the station 'kiss and drop' slip lane (Platt Street) during the night work. Traffic control and signage will be in place to assist pedestrians and motorists with these temporary changes including a temporary lane closure and reduced speed limits.

Toilet and waiting room closure

The existing toilets and waiting room on Platform 2 are closed. The waiting room will re-open in late December 2019 and the toilets will re-open in late March 2020. Two temporary unisex toilets are located on Platform 2 at the rear of the existing building.

For more information call **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/waratah

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Waratah Station - Construction locations and temporary station changes

Map legend:

-  Three lifts under construction (locations: Platform 1, Platt Street and Railway Terrace)
-  Waratah Station footbridge
-  Waratah Station temporary footbridge to/from Platform 1
-  Temporary station toilets located on Platform 2
-  Construction work exclusion buffer zone at Platt Street/station slip lane **during night works 19-22 November 2019.**

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: www.transport.nsw.gov.au/waratah.

For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
