

Transport Access Program

Wye Station Upgrade

Project Update

December 2019

Transport Access Program

The Wye Station Upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Transport for NSW is upgrading Wye Station to make it easier for everyone to access, including people with a disability, limited mobility, parents/carers with prams and customers with luggage.

December work

Construction activities will continue in December and will include:

- building new station access stairs and retaining walls at Wye Road
- installation of cladding and glazing to the lift shafts
- work to the station toilets and waiting room.

Equipment to be used includes excavators, elevated work platforms, concrete pumps, delivery trucks, vacuum truck, power and hand tools.

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. Notifications of any work occurring outside of these standard hours will be given prior to work commencing.

For more information call **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/wyee

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Weekend work – Saturday 30 November and Sunday 1 December

From 12pm to 8pm Saturday 30 November and 7am to 3pm Sunday 1 December 2019 work will be carried out to install cladding and glazing to the external lift shaft on Wye Road, weather permitting.

Equipment to be used includes elevated work platforms, power and hand tools. The construction plant will be positioned as far away from residential areas as possible with regular respite periods for any noisy work.

Pedestrian and traffic detours

To safely operate construction equipment on Wye Road there will be a temporary closure of the northbound footpath. Traffic controllers and signage will be in place to assist pedestrians and motorists with these temporary changes including reduced speed limits for motorists.

Ongoing changes to Gorokan Road commuter car park access

Access to the Gorokan Road commuter car park has changed. Traffic control and signage is in place to assist pedestrians and motorists with this change. Please follow traffic signs. This change is temporary and will be in place until mid-2020.

Toilet and waiting room closure

The existing toilets and waiting room on the island platform are closed. The waiting room will re-open in early 2020 and the toilets will re-open in late March 2020. Two temporary unisex toilets are located on the platform.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: www.transport.nsw.gov.au/wyee. For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au. For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
