

Transport Access Program

Wye Station Upgrade

Project Update

October 2019

Wye Station upgrade construction works, August 2019.

Transport Access Program

The Wye Station Upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Transport for NSW is upgrading Wye Station to make it easier for everyone to access, including people with a disability, limited mobility, parents/carers with prams and customers with luggage.

October work

Construction activities will continue in October and include:

- concrete work for the new lift on the station platform (within hoarding)
- concrete work for the two external lifts, on Gorokan Road and Wye Road.

Equipment to be used includes jack hammers, excavators, concrete pumps, trucks, vacuum truck, surveying equipment, power and hand tools.

For more information call **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/wyee

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Standard construction hours

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. Notifications of any work occurring outside of these standard hours will be given prior to work commencing.

Weekend work – 26 and 27 October

On **Saturday 26 October** and **Sunday 27 October 2019** weekend work will be carried out at the station, weather permitting. Activities include:

- using a mobile crane to install lift shaft roof, canopies, and cladding
- using a mobile crane to connect footbridge via new bridge decks to lifts
- demolition works to the existing toilets and waiting room
- installing temporary station toilets
- construction of temporary footpath to footbridge stairs on Wyee Road.

To ensure the safety of our customers and staff, this work will be completed during a scheduled Sydney Trains trackwork weekend when **no train services will be operating**.

Equipment used includes mobile cranes, forklift, demolition saw and breaker, excavator, dump trucks, concrete trucks, delivery trucks, power and hand tools.

Construction hours

Work will be carried out from **4am on Saturday 26 October** through to **10pm Sunday 27 October 2019**. The construction plant will be positioned as far away from residential areas as possible with regular respite periods for any noisy work.

Pedestrian and traffic detours

To safely operate large mobile cranes, some traffic and pedestrian access changes will be in place during the work. Traffic control and signage will be in place to assist pedestrians and motorists with these temporary changes.

As there are no train services operating, **the pedestrian bridge will be closed to pedestrians** to create a safe work zone. Detour by walking/cycling around the station precinct using Gorokan Road. Rail replacement buses will be operating from Wyee Road.

For information regarding rail replacement buses during track work weekends, please visit www.transportnsw.info or phone 131 500.

Toilet and waiting room closure

The existing toilets and waiting room on the island Platform will be closed from Saturday 27 October. The waiting room will re-open in late December 2019 and the toilets will re-open in late March 2020. Two temporary unisex toilets will be installed on the platform. Please see the map overleaf for the location of the temporary station toilets.

Ongoing changes to Gorokan Road commuter car park access

Access to the Gorokan Road commuter car park has changed. Traffic control and signage will be in place to assist pedestrians and motorists with these temporary changes. Please follow traffic signs.

This change is temporary and will be in place until mid-2020. See the map overleaf for further detail.

For more information **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/wyee.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Changes during 26-27 October weekend works

Map legend:

Orange hatching – Gorokan Road commuter car park construction work location

Orange – Three new station lifts work locations (Platform, Gorokan Road and Wye Road)

Purple – Wye Station footbridge Closed during **26-27 October construction work**

Green – Pedestrian detour

Blue – Temporary station toilets located on platform

Red/Grey – Temporary changes to footpath connection to Wye Station footbridge.

Pedestrian detour during 26-27 October weekend works

Map legend:

Green – Pedestrian detour using Gorokan Road/Wyee Road underpass during **26 and 27 October construction work - when footbridge is closed.** Detour is approximately a 7-minute walk.

Purple – Wye Station footbridge Closed during **26-27 October construction work**

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: www.transport.nsw.gov.au/wyee.

For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
