

# Transport Access Program

## Wye Station Upgrade

Project Update

September 2019

## Transport Access Program

The Wye Station Upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

## Project overview

Transport for NSW is upgrading Wye Station to make it easier for everyone to access, including people with a disability, limited mobility, parents/carers with prams and customers with luggage.

## September work

Construction activities will continue in September and will include:

- concrete work for the new lift on the station platform (within hoarding)
- concrete work for the two external lifts, on Gorokan Road and Wye Road.

Equipment to be used includes jack hammers, excavators, concrete pumps, trucks, vacuum truck, surveying equipment, power and hand tools.

## Changes to Gorokan Road commuter car park access

Access to the Gorokan Road commuter car park has changed.

Traffic control and signage will be in place to assist pedestrians and motorists with these temporary changes. Please follow the direction of traffic controllers and follow traffic signs.

This change is temporary and will be in place for up to two months.

See the map overleaf for further detail.
