

# Transport Access Program

## Hawkesbury River Station Upgrade

**Project update**

**January 2020**

The NSW Government is improving accessibility at Hawkesbury River Station. This upgrade will be delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

Early work commenced in November 2019 and construction is expected to be completed in early 2021.

### January work

Work will continue in January and will include:

- toilet block modifications
- ongoing establishment of site compounds
- relocation of services in the existing platform
- construction of the new lift
- relocation of underground services on Dangar Road
- lift construction on Dangar Road, including piling, shoring and hoarding
- survey work and delivery of materials.

Equipment to be used includes concrete pumps, excavators, piling equipment, hand tools, generators, power tools and delivery vehicles. During site deliveries and relocation of services, traffic controls and pedestrian diversions will be in place as required.

The site will be closed from 20 December 2019. We wish the community a restful holiday period.

Work will recommence from 6 January 2020, and most work will continue to be carried out during standard construction hours, which are **7am to 6pm Monday to Friday**, and **8am to 1pm Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

### Weekend work – Saturday 11 and Sunday 12 January 2020

From **3am Saturday 11 January to midnight Sunday 12 January**, work will be carried out on the new lift. Work will include piling, excavation and establishment of formwork. Toilet block modifications and the establishment of a temporary power supply to the station will also be carried out.

Temporary traffic control and pedestrian diversions will be in place as required. Traffic controllers will be on site to assist motorists and pedestrians during this time.

For more information call **1800 684 490**

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [www.transport.nsw.gov.au/hawkesbury\\_river](http://www.transport.nsw.gov.au/hawkesbury_river)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

To ensure the safety of our customers and staff, work will be completed during a scheduled Sydney Trains trackwork weekend. No train services will be operating this weekend and the station will be closed. Please contact Transport Info **131 500** or visit [transportnsw.info](http://transportnsw.info) for more information about replacement bus services.
