

Transport Access Program

Birrong Station Upgrade

Project Update

November 2020

Transport for NSW is upgrading Birrong Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work will continue in November and includes:

- Installation of rock anchors at the lift shaft
- Installation of scaffolding and construction on the lift shaft
- Electrical work on the station platform
- Start of upgrades to the station building
- Deliveries of materials

Equipment to be used includes handheld tools, concrete pumps and trucks, jackhammers, road saws, excavators, piling rig, delivery trucks, temporary fencing and hoarding.

Traffic control may be in place intermittently throughout this work as required.

For more information call 1800 684 490,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/birrong

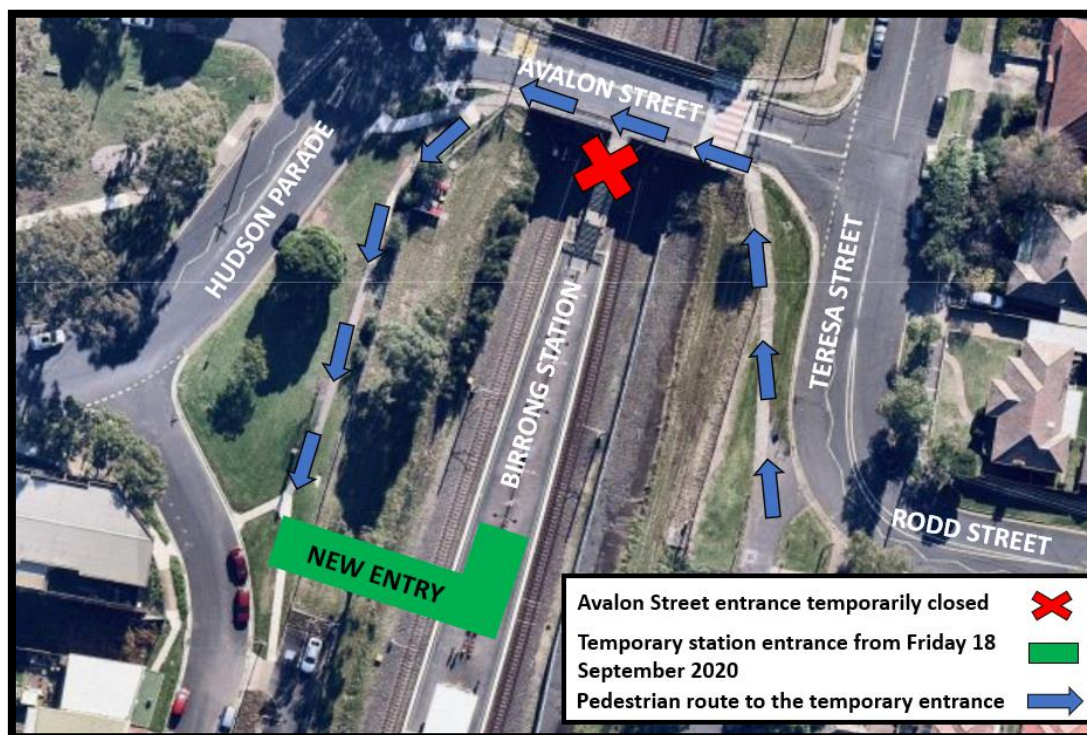

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465.

This work will be noisy at times. Wherever possible measures to reduce noise will be implemented including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise, using non-tonal reversing beepers and stopping work for respite periods.

Temporary changes to Birrong Station access

To access the station, customers will use the temporary footbridge off Hudson Parade next to the commuter car park while the new station entrance from Avalon Street Bridge is constructed.

Signage is in place to direct pedestrians to the temporary station entrance. For more information, please see the map below.

Map of pedestrian entry to station entrance

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, rail customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/birrong

If you would like to be added to the project distribution list, or for more information about the Birrong Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
