

# Transport Access Program Blayney Station Upgrade Have your say

## The NSW Government is improving accessibility at Blayney Station

Key features of the proposed concept design include:

- regrading the existing footpath
- new ambulant toilets and a family accessible toilet
- an upgraded formal bus stop by the station entrance
- new accessible car spaces and kiss and ride space
- upgrades to CCTV, lighting and wayfinding
- improvements to station footpaths and pathways.

### Have your say

The proposed concept design will be on public display from **Thursday 12 March until Thursday 26 March 2020** and community feedback is invited during this time.
