

The NSW Government is delivering improved public transport between the Northern Beaches, Lower North Shore and the Sydney CBD, including an integrated program of service and road upgrades.

Further to our February monthly notification, night works for the pedestrian bridge will occur between **8pm and 6am** on **Wednesday 5 February 2020** and **Monday 17 February to Wednesday 19 February 2020**. If works can not be completed on these dates they will take place **on Wednesday 26 – Thursday 27 February 2020**. Night works will include:

- removal of existing light pole and installation of a new light pole in new location
- updates to the traffic control signals at the existing at grade crossing
- installation and commissioning of fail safe gates and associated infrastructure at the existing at grade crossing

For the safety of motorists, pedestrians and workers this work will be done at night and is weather dependent. Traffic control will be in place during this time. You may also experience some noise impacts during this work.

Location of works in Brookvale

For more information on this work or the Northern Beaches B-Line Program please contact us

- phone **1800 048 751** (24 hours)
- email projects@transport.nsw.gov.au
- visit b-line.transport.nsw.gov.au
- For the latest traffic updates phone 132 701, or download Live Traffic NSW App.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call Transport for NSW on 02) 9200 0200 the interpreter will then assist you with translation.
