

# Byron Bay Bus Interchange and Carparks

Community notification

August 2020

The Byron Bay Interchange is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

## Project update

The Lawson Street South Car Park and Rails Hotel Car Park are nearing completion. These facilities will be available for customer use in September 2020. The Lawson Street South Car Park will provide 30 new parking spaces including one accessible space and four motorbike parking spaces. The Rails Car Park will provide 57 new parking spaces including three accessible spaces and an additional eight staff parking spaces.

The Byron Bay Interchange facility has progressed significantly, completing the following construction activities since work began:

- site preparation including removal and movement of earthworks and pavement layer construction
- underground service installation including sewerage, stormwater and electrical services
- building bus canopy foundations and retaining walls.

## Upcoming work

Construction activities will continue throughout September and include:

- completion of the heritage water tower restoration
- placement of quarry materials for pavements
- concrete pavements and kerbing
- commencement of amenities block and bus canopy structural steel and fit out.

Equipment to be used includes excavators, road grader, rollers, survey equipment, trucks, concrete pumps, elevated work platforms, mobile cranes, light vehicles, hand and power tools.

Work will take place during standard construction hours from **7am to 6pm Mondays to Fridays and Saturdays 8am to 1pm.**

## Temporary changes to traffic conditions

To facilitate this work, changes to traffic and pedestrian movements will be required. Traffic control and signs will be in place to help pedestrians and vehicles with the temporary changes.

We will continue to keep the community informed with regular project updates. Further information is available on the project website [www.transport.nsw.gov.au/byronbay](http://www.transport.nsw.gov.au/byronbay).

If you would like to be added to the project distribution list, please contact 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au). Thank you for your patience during this important work.
