## The NSW Government is improving accessibility at East Hills Station

Planning is underway to improve accessibility at East Hills Station to make it easier for people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the early concept design is invited until **14 October 2020**.

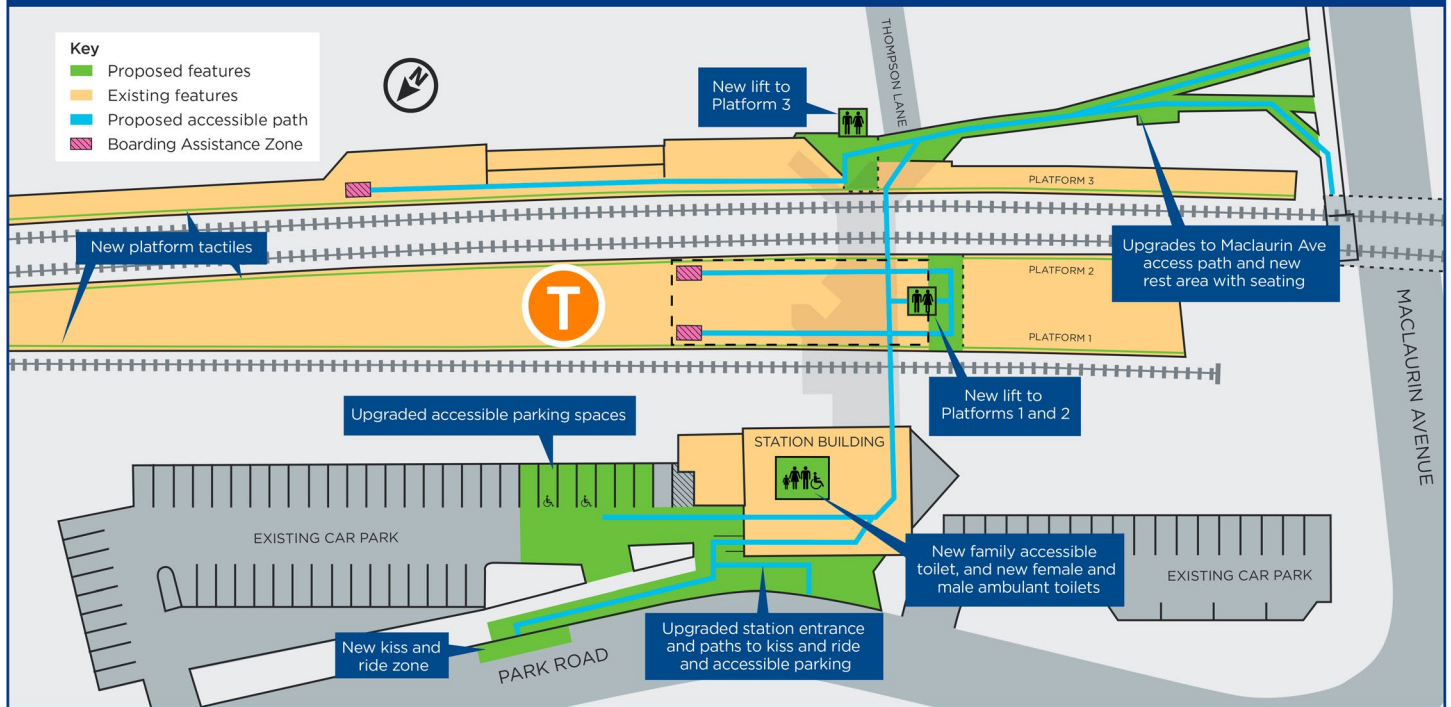

### Key features of the proposed upgrade include:

- two new lifts connecting from the underpass to the station platforms
- upgrade of the station entrance on Park Road to provide improved pathways for customers
- upgrade of the two existing accessible parking spaces in the commuter car park
- upgrade of the pathway connecting MacLaurin Avenue to the station entrance
- a new kiss and ride area on Park Road
- reconfiguration of the existing toilet facilities to provide a new family accessible toilet, a new female ambulant toilet and a new male ambulant toilet
- installation of hearing loops and new boarding assistance zones on all platforms
- improvement to lighting, CCTV, wayfinding signage.
