

New Intercity Fleet Maintenance Facility

OUT OF HOURS WORK NOTIFICATION

The NSW Government is delivering a New Intercity Fleet to replace trains carrying customers between Sydney and the Central Coast, Newcastle, the Blue Mountains and the South Coast.

The detailed design and construction of the new maintenance facility at Kangy Angy, which will service and maintain the New Intercity Fleet, is being delivered by John Holland on behalf of Transport for NSW.

Night work

Enterprise Drive and Old Chittaway Road intersection

Subject to approval, work to complete the new roundabout at the intersection of Enterprise Drive and Old Chittaway Road will continue in April. To minimise disruption to traffic and to ensure the safety of workers and road users, work will be carried out outside standard construction hours at the following times:

- From 6pm Monday 6 April to 7am Tuesday 7 April
- From 6pm Tuesday 7 April to 7am Wednesday 8 April
- From 6pm Wednesday 8 April to 7am Thursday 9 April
- From 6pm Thursday 9 April to 7am Friday 10 April

Work includes line marking, installation of guard rails, final asphaltting, and landscaping. Temporary lane closures and traffic diversions will be in place. A reduced speed limit of 40km/h remains in place and short traffic delays may be experienced. Please follow the direction of traffic controllers.

Equipment

- road profiler
- bobcat
- mobile crane
- asphalt laying plant
- light and heavy vehicles
- road sweeper
- truck and dog trailers
- lighting towers
- generator
- post hole driver
- excavators
- vibrating roller
- line marking equipment
- electric hand tools

The work will be noisy at times and we will aim to minimise noise by turning off equipment when not in use.
