

Transport Access Program

Fairy Meadow Station

Project update

February-March 2020

The Transport Access program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Project overview

The end of 2019 saw the site establishment at Fairy Meadow Station, with all work now being carried out at a steady pace.

During February and March, construction activities will include:

- installation of new station power and communication services
- construction of two concrete lift structure
- construction of concrete pedestrian ramp on Platform 2 (eastern side)
- upgrade work to station amenities, office and store rooms

Most of these activities will take place during standard construction hours, which are **7am to 6pm Mondays to Fridays** and **8am to 1pm Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/fairy_meadow
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Weekend work

To maintain the safety of workers, pedestrians and motorists, some weekend work will take place.

From 6am Saturday 21 March to 10pm Sunday 22 March

This work has been scheduled during a Sydney Trains track work period, where no trains will be running. This shut down period will be used for installation of power and communication services, and platform building work while the station is not in use by the public.

Some of this work may be noisy and measures will be implemented to reduce the impact of the work, including turning off vehicles when not in use, using non-tonal reversing beepers, stopping work to allow for regular respite periods and monitoring noise levels.

We understand upgrades to the station can bring some inconvenience during construction and thank you for your patience during this time.

Change of Access

From mid February to July 2020, 14 car parking spaces will be temporarily unavailable in the Fairy Meadow Station car park. This area is being used for construction storage and facilities. We apologize for any inconvenience this may cause.

Keep in touch

We will continue to keep the community informed with regular project updates. Further information is available on the project website www.transport.nsw.gov.au/fairy-meadow. If you would like to be added to the project distribution list, please contact us on 1800 684 490 or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
