

Transport Access Program Goulburn Station Upgrade Have your say

The proposed Goulburn Station Upgrade, subject to change during detailed design

The NSW Government is improving accessibility at Goulburn Station

This project is being delivered as part of the Transport Access Program, a Transport for NSW initiative which will provide a station precinct that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Key features include:

- accessibility upgrades to the paths at the station entrance
- a new accessible kiss and ride bay
- new kerb ramps to the existing bus and taxi zone
- relocated accessible parking spaces to connect to the accessible paths
- upgrades to the waiting room and ticket counter on Platform 1
- new Boarding Assistance Zone and accessible help points on Platform 1
- two new accessible toilets
- improved lighting and wayfinding.
