

# Transport Access Program

## Lapstone Station Upgrade

**Project update**

**December 2020**

*Artist's impression, subject to detailed design.*

### Upcoming work

Construction activities at the station will continue in December including:

- installation of new services at the station platform and surrounding precinct including electrical, communications, water, sewer and gas
- installation of external concrete, steel and roofing for the new lift
- installation of internal lift components
- regrading and civil work within the commuter car park for new accessible parking spaces and the station entrance
- fit out of the station building

Equipment to be used during this work includes a mobile crane, small drilling rig, excavators, surveying equipment, delivery and concrete trucks and powered hand tools.

### Power supply upgrade

Construction work to upgrade the local power supply at Lapstone Station will commence in December and is expected to take up to four months to complete, weather permitting. Activities include:

- excavation and trenching to install new underground power supply along Explorers Road and Hume Road
- installing temporary fencing, signage, barriers and other controls around work areas
- removal of up to four trees and vegetation near the commuter car park
- temporary restoration of trenched driveways (permanent restoration to occur in early 2021)

For more information call **1800 684 490**,  
Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/lapstone](https://transport.nsw.gov.au/lapstone)

Equipment to be used during this work includes excavators, delivery and concrete trucks, and power tools.

Temporary access changes on Explorers Road and Hume Road will take place in sections during construction. This includes:

- temporary footpath closures
- temporary driveway closures
- single lane access and/or temporary on-street parking removal.

To allow this essential work to take place, there will be a **planned power interruption managed by Endeavour Energy**. Residents and businesses affected by the power interruption will receive more information from Endeavour Energy about timing and ways to get assistance.

## Construction hours

**Standard construction hours are now 7am to 6pm every day including public holidays.** We will notify nearby residents and businesses in advance if we need to work outside these times. Thank you for your patience as work continues on important transport infrastructure across NSW.

## Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website [transport.nsw.gov.au/lapstone](https://transport.nsw.gov.au/lapstone).

If you would like to be added to the project distribution list, or for more information on the Lapstone Station Upgrade, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
