

# Commuter Car Park Program

Leppington

**Project update**

**November 2020**

Transport for NSW is delivering a multi-storey car park with up to 1,000 additional parking spaces at Leppington Station to provide you with more convenient access to public transport and reduce congestion on our roads.

The new multi-storey car park will be completed and opened to customers in mid-2021.

## Progress update

In October, two tower cranes were delivered to site and installed over four days (pictured right). Piling and detailed excavation work continued and footings and beams were poured with concrete in preparation for the ground slabs to be laid.

On behalf of Transport for NSW, Camden Council opened the temporary commuter car park located opposite the station on Rickard Road. The car park is now open to commuters to minimise disruption during construction.

## Upcoming construction work

During November, the following work will occur on the new multi-storey car park:

- Continued work to lay concrete ground slabs to provide the foundation
- Continued excavation work
- Formwork in preparation for columns and suspended slabs
- The installation of the car park's storm water service.

Deliveries will be scheduled between the construction hours of **7am - 6pm Monday to Friday and 8am - 1pm on Saturdays.**
