

Transport Access Program

Lisarow Station Upgrade

Project update

September 2020

Artist's impression of the Lisarow Station Upgrade, subject to detailed design.

The NSW Government is improving accessibility at Lisarow Station

Planning approval has been granted for the upgrade of Lisarow Station.

The approval follows community consultation on the concept design for Lisarow Station Upgrade. We would like to thank the community for their feedback.

The upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

Key features of the upgrade include:

- two new lifts connecting the platforms to the existing footbridge
- a new accessible parking space and a kiss and ride space in the Railway Crescent commuter car park
- resurfacing work on Platform 1
- a new Boarding Assistance Zone canopy on Platform 1
- a new ramp to the southern station entry from the Pacific Highway pedestrian footpath
- upgrades to electrical infrastructure, lighting, CCTV and public address system.

Upcoming site establishment

From **Monday 7 September 2020**, site establishment and investigation work will start. This work will continue throughout September. Activities will include:

- utility service searches
- surveying work
- geotechnical investigations throughout the station precinct
- site establishment and office set up.

Equipment to be used includes surveying equipment, small drilling rigs, vacuum trucks, mini loaders, excavators, cranes, light vehicles and hand tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, rail customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before work outside these hours takes place.
