Traffic changes

From 10am to 4pm on Monday 6 April to Friday 8 May, one southbound lane on the Old Pacific Highway will continue to be closed. Traffic control will be in place to direct motorists and cyclists safely around the work site.

Construction equipment

Equipment to be used includes cherry pickers, generators, excavators, chainsaws, vacuum trucks, work vehicles and various hand and power tools.

Transport for NSW is committed to minimising noise impacts on the community. We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are being managed effectively.
Keeping the community informed
