## The NSW Government is improving accessibility at Normanhurst Station

Planning is underway to improve accessibility at the station to make it easier for people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the early concept design is invited until **Monday 21 December 2020**.

### Key features of the proposed upgrade include:

- two new lifts to provide access to the station platforms
- new weather protection screens and canopies at lift entries
- improved accessibility to the waiting rooms
- a new family accessible toilet and male and female ambulant toilets
- new accessible pedestrian pathways throughout the station and entrances
- new accessible entrance to Platform 1
- new kiss and ride zone on Denman Parade
- new canopy coverage over Boarding Assistance Zones
- new bike hoops located near Denman Parade
- improvements to CCTV, lighting and wayfinding signage.
