

Mosman construction notification

June 2020

Bus bay extension on Spit Road at Parriwi Road

The bus stop has re-opened to customers while the final work to complete the extension of the bus bay is carried out in June.

Work this month includes asphaltting, concreting and landscaping. A small work zone remains so we can complete these activities safely, however the bus stop is fully operational. Traffic control, signage and temporary infrastructure are in place to assist customers.

New bus bay on Military Road opposite Prince Street

Construction is almost complete with remaining work in June including asphaltting, concreting and landscaping.

Once the new bus bay is completed and opened, the citybound bus stop currently located near Belmont Road will move 70 metres north to service the new bus bay at Prince Street.

Signage will be installed prior to the change to assist customers.

Hours of work

Most construction activity at both bus bays will occur between **7am and 6pm Monday to Friday, and 8am to 1pm Saturday.**

For improved safety of workers, pedestrians and motorists, and to minimise impacts to traffic, some **night work will be required this month between 6pm and 5am** on the below dates.

Spit Road at Parriwi Road	Military Road at Prince Street
Friday 29 May	Tuesday 2 and Wednesday 3 June
Monday 1 June	Thursday 11 and Friday 12 June
Tuesday 9 and Wednesday 10 June	Wednesday 24 and Thursday 25 June
Thursday 18 and Friday 19 June	
Monday 22 and Tuesday 23 June	

If a night shift is cancelled due to rain, we will aim to move it to another night in that same week.

Minimising community impact

Some of the work may be noisy and we will do everything we can to minimise disruption, including:

- letting residents know what to expect before the work starts
- using barriers, sound blankets and squawkers rather than beepers on vehicles to reduce noise
- only using noisy machinery when necessary
- doing noisy work early in the evening when possible
- directing the noise and lights away from residents where possible.

Map of construction zones

Thank you for your patience and cooperation as we near completion of work. Once complete, the new and extended bus bays will improve the reliability of bus services, traffic flow and journey times along Spit Road and Military Road.

Contact information

For more information on the work on the Northern Beaches B-Line Program please contact us:

- phone **1800 684 490** (24 hours)
- email **projects@transport.nsw.gov.au**
- visit **www.transport.nsw.gov.au/b-line**
