

Transport Access Program

Ourimbah Station Upgrade

Project Update

September 2020

Upcoming work

Construction on Ourimbah Station Upgrade is progressing well with site establishment and investigation activities underway during July and August.

Site preparation activities will continue in September and include:

- hand excavation work to locate and identify underground services
- surveying the station precinct including commuter car park.

Equipment to be used includes hand tools and surveying equipment.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm, Saturdays**.

We will notify nearby residents and businesses in advance if we need to work outside these times.

Temporary traffic, access and parking changes

Temporary traffic and pedestrian access changes may be required while work is carried out around the station precinct. Traffic control and signage will be in place to help pedestrians and motorists with any temporary changes.

Keeping the community informed

The community will be kept informed about the project, including upcoming work via notifications that will be distributed to nearby residents. Information on the project is also available on the project web page transport.nsw.gov.au/ourimbah.
