

Transport Access Program Parkes Station Upgrade Have your say

The NSW Government is improving accessibility at Parkes Station

This project is being delivered as part of the Transport Access Program, a Transport for NSW initiative which aims to provide a station precinct that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Key features of the proposed concept design include:

- upgrades to the existing accessible car space and kiss and ride space
- new ambulant toilets and a family accessible toilet
- upgrades to existing footpaths
- a formal bus stop by the station entrance
- upgrades to CCTV, lighting and wayfinding

Have your say

The proposed concept design is on public display from **Tuesday 25 February until Friday 7 March 2020** and community feedback is invited during this time. The concept design is available to view at Parkes Station, Welcome Street, Parkes, NSW 2870

Feedback may be sent to:
