

# Petersham Station Upgrade

**Planning approval has been granted for the Petersham Station Upgrade. Detailed design is now underway, with major construction expected to commence later this year.**

The project team received 60 submissions from the community during the public display of the Review of Environmental Factors between 30 October and 13 November 2019. Transport for NSW would like to thank the community for their feedback. These submissions have been considered by the project team, and responded to in the Determination Report.

The Determination Report and associated Conditions of Approval are available on the Transport for NSW website, [transport.nsw.gov.au/petersham](https://transport.nsw.gov.au/petersham)

## Transport Access Program

The upgrade at Petersham Station is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state. As part of the program, the Petersham Station Upgrade will provide a station that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

### The upgrade will include:

- two new lifts connecting the existing footbridge to the Terminus Street station entrance and the station platform
- a new access ramp and stairs from the Trafalgar Street station entrance to the existing footbridge
- upgrade work to the existing footbridge and stairs
- a new accessible parking space adjacent to the Terminus Street lift
- a formalised kiss and ride area on Terminus Street
- new bicycle parking on both sides of the station
- improved amenities such as new male and female ambulant toilet, a new family accessible toilet, CCTV and lighting.

### Contact us

If you would like to speak with the project team please call **1800 684 490** or email us at [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).
