

Transport Access Program

Point Clare Station Upgrade

Have your say

Artist's impression of the proposed Point Clare Station Upgrade, subject to detailed design

The NSW Government is improving accessibility at Point Clare Station

Planning is underway to improve accessibility at Point Clare Station. The upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

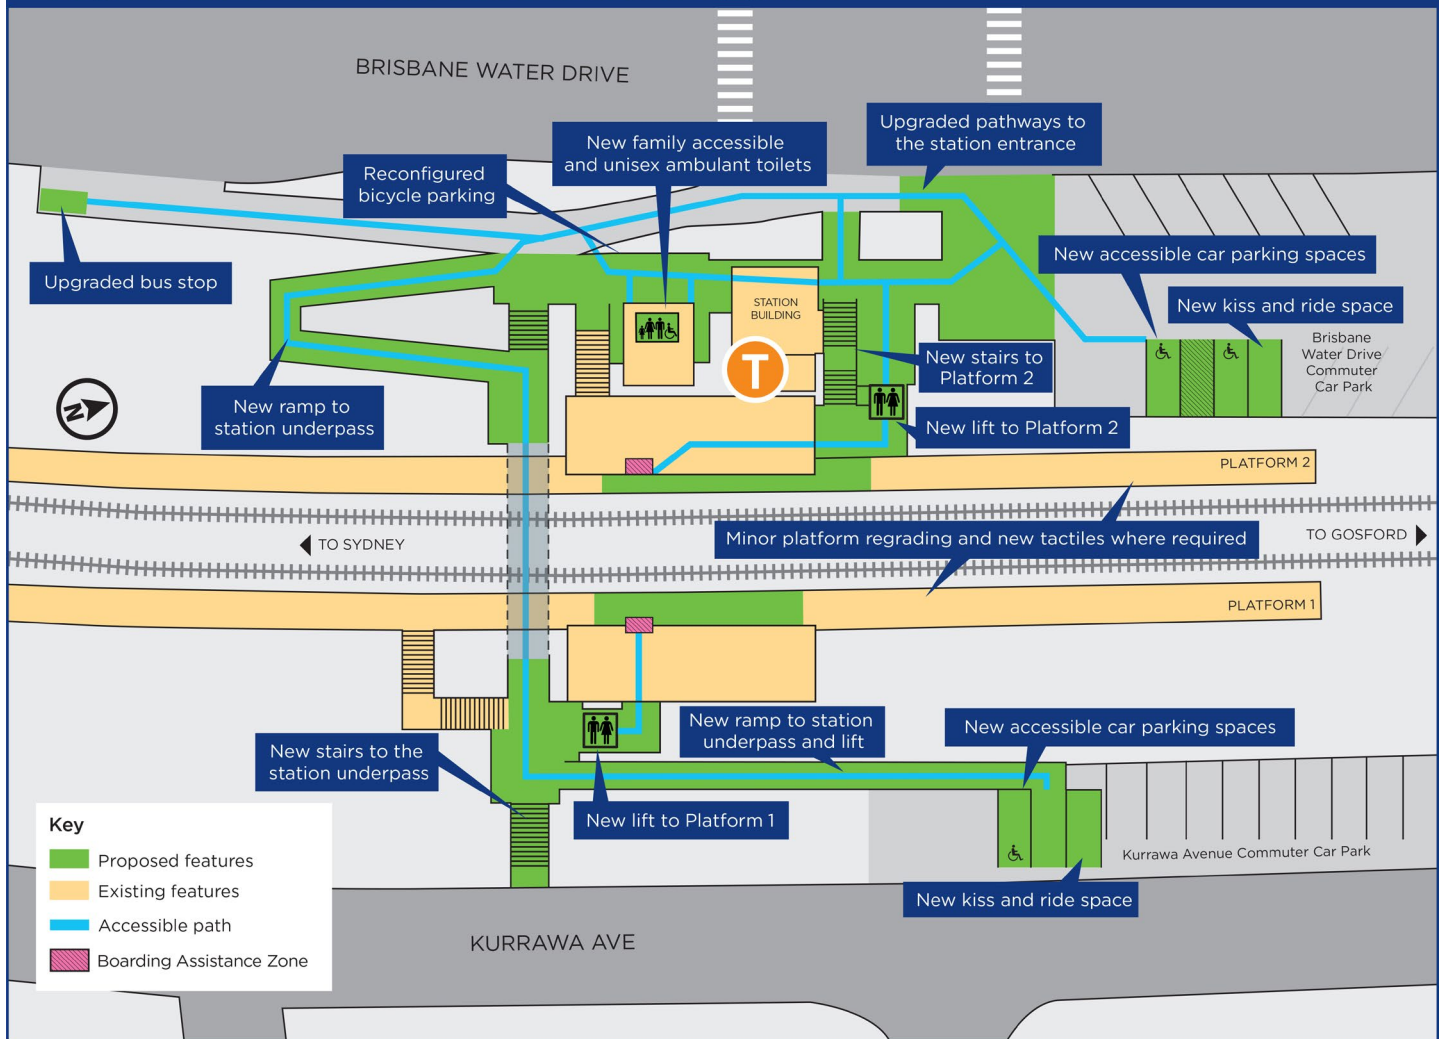

Key features of the proposed upgrade include:

- two new lifts connecting each platform to the commuter car parks
- new stairs from Brisbane Water Drive to Platform 2
- new ramps on Brisbane Water Drive and Kurrawa Avenue to connect to the station underpass
- new stairs from Kurrawa Avenue entry to the station underpass
- two new accessible parking spaces and a kiss and ride space in the Brisbane Water Drive commuter car park
- one new accessible parking space and a kiss and ride space in the Kurrawa Avenue commuter car park
- upgraded bus stop waiting area including seating and tactiles on Brisbane Water Drive
- upgrade pathways around the station precinct
- upgrade the existing toilets to provide a new family accessible toilet and a new unisex ambulant toilet
- minor platform regrading and installation of new tactiles where required
- reconfigured bicycle parking on Brisbane Water Drive
- improvement to lighting, electricity supply, wayfinding and CCTV.

Have your say

The community is invited to comment on the early concept design for an accessibility upgrade at Point Clare Station. Your feedback will help Transport for NSW understand what is important to customers and the community and help inform the planning approval documents which will be placed on public display for consultation early next year.

Feedback can be provided by:

- emailing projects@transport.nsw.gov.au

- completing the feedback form at www.transport.nsw.gov.au/pointclare
- writing to **Transport Access Program Point Clare Station Upgrade**
Transport for NSW Locked Bay 6501,
St Leonards NSW 2065

Please provide your feedback by **5pm Monday 30 November 2020**.

Next steps

Early next year, the key planning documents will go on public display for further community consultation. Subject to planning approval, construction is expected to start in 2021.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
