The above warranties are in addition to and do not derogate from any warranty implied by law in respect of the Equipment.

2. Replacement

The Warrantor warrants to the Principal and the Beneficiary that it will replace so much of the Equipment as within the period described in Item 7 of the Schedule:

(a) is found to be of a lower quality or standard than that referred to in clause 1; or

Notes

1. This form is prepared for the purpose of section 175B of the Workers Compensation Act 1987, Schedule 2 Part 5 Payroll Tax Act 2007 and section 127 of the Industrial Relation Act 1996. If this form is completed in accordance with these provisions, a principal contractor is relieved of liability for workers compensation premiums, payroll tax and remuneration payable by the subcontractor. A principal contractor can be generally defined to include any person who has entered into a contract for the carrying out of work by another person (or other legal entity called the subcontractor) and where employees of the subcontractor are engaged in carrying out the work which is in connection with the principal contractor’s business.

2. For the purpose of this Subcontractor’s Statement, a principal contractor is a person (or other legal entity), who has entered into a contract with another person (or other legal entity) referred to as the subcontractor, and employees/workers of that subcontractor will perform the work under contract. The work must be connected to the business undertaking of the principal contractor.

3. Provide the unique contract number, title, or other information that identifies the contract.

4. In order to meet the requirements of s127 Industrial Relations Act 1996, a statement in relation to remuneration must state the period to which the statement relates. For sequential Statements ensure that the dates provide continuous coverage.

Section 127(6) of the Industrial Relations Act 1996 defines remuneration ‘as remuneration or other amounts payable to relevant employees by legislation, or under an industrial instrument, in connection with work done by the employees.’

Section 127(11) of the Industrial Relations Act 1996 states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than $7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.

8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor you are to also obtain Subcontractor’s Statements from your subcontractors.

Statement Retention

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.

(b) Each of the Independent Certifier, the CN Contractor and the Operator acknowledges and agrees that, without limiting clause 12.4(a), anything which the Principal does, fails to do or purports to do pursuant to its functions and powers under any Law will be deemed not to be an act or omission by the Principal under this deed and will not entitle any of the Independent Certifier, the CN Contractor or the Operator to make any claim against the Principal.

(c) The parties agree that clauses 12.4(a) and 12.4(b) are taken not to limit any liability which the Principal would have had to the Independent Certifier, the CN Contractor or the Operator under this deed as a result of a breach by the Principal of a term of this deed but for clauses 12.4(a) and 12.4(b) of this deed.

(b) A waiver or consent given by a party under this deed is only effective and binding on that party if it is given or confirmed in writing by that party.

(c) No waiver of a breach of a term of this deed operates as a waiver of another breach of that term or of a breach of any other term of this deed.

12.7 **Cost of performing obligations**

Each party must, unless this deed expressly provides otherwise, pay its own costs and expenses in connection with performing its obligations under this deed.

12.8 **Further acts and documents**

(A) assign, novate or otherwise transfer all or any part of its rights under this deed without the Independent Certifier, CN Contractor or the Operator's prior approval, provided that the assignee, novatee or transferee (as applicable) is also a party to whom the Principal is assigning, novating or
transferring its rights under the Construct Only Delivery Deed in accordance with the terms of the Construct Only Delivery Deed; and

(B) not otherwise assign, novate or otherwise transfer all or any part of its rights under this deed without each of the Other Parties' prior written consent (which must not be unreasonably withheld or delayed),

and may disclose to a proposed assignee, novatee or transferee any information in the possession of the Principal relating to the Independent Certifier, CN Contractor or the Operator.

(ii) The Independent Certifier, the CN Contractor and the Operator agree to such assignment, novation or transfer such that no further consent is required.

(iii) In the case of a novation by the Principal under this clause:

(A) the Principal will be released from its obligations under this deed and the respective rights of the Principal, the Independent Certifier, the CN Contractor and the Operator against one another under this deed will cease;

(B) the novated agreement will be on the same terms as this deed, such that the incoming party, the Independent Certifier, the CN Contractor and the Operator will assume the same obligations to one another and acquire the identical rights against one another as the rights and obligations discharged under clause 12.10(c)(iii)(A), except that the incoming party replaces the Principal for all purposes under the agreement; and

(C) the Independent Certifier, the CN Contractor and the Operator consent to the disclosure by or on behalf of the Principal to the incoming party of their confidential information for the purposes of the novation.

(iv) The Principal may at any time enter into any subcontracting, delegation or agency agreements or arrangements in relation to any of its functions.

(b) The Independent Certifier, the CN Contractor and the Operator acknowledge and agree that they must, to the extent required by a Public Transport Agency and without limiting any facilitative legislation, negotiate in good faith any variations required to this deed, or any replacement agreement or agreements for this deed to give effect to a Public Transport Agency being reconstituted, renamed, dissolved, replaced or restructured.

(c) The Independent Certifier, the CN Contractor and the Operator will be taken for all purposes to have consented to, and will not have, and no Public Transport Agency will be liable for, any claim as a result of any action, matter or circumstance referred to in, or contemplated by this clause 12.11.

Any reference to any senior officer of the Former Body will be to the equivalent senior officer of the Replacement Body.

(b) constituting the relationship between any two or more of the parties (or all of the parties) as that of partners, joint venturers or any other fiduciary relationship.

**12.19 Severance**

If at any time any provision of this deed is or becomes void, illegal, invalid or unenforceable in any respect under the law of any jurisdiction, then that will not affect or impair:

Notes

1. This form is prepared for the purpose of section 175B of the Workers Compensation Act 1987, schedule 2 part 5 Payroll Tax Act 2007 and section 127 of the Industrial Relation Act 1996. If this form is completed in accordance with these provisions, a principal contractor is relieved of liability for workers compensation premiums, payroll tax and remuneration payable by the subcontractor.

A principal contractor can be generally defined to include any person who has entered into a contract for the carrying out of work by another person (or other legal entity called the subcontractor) and where employees of the subcontractor are engaged in carrying out the work which is in connection with the principal contractor’s business.

2. For the purpose of this Subcontractor’s Statement, a principal contractor is a person (or other legal entity), who has entered into a contract with another person (or other legal entity) referred to as the subcontractor, and employees/workers of that subcontractor will perform the work under contract. The work must be connected to the business undertaking of the principal contractor.

3. Provide the unique contract number, title, or other information that identifies the contract.

4. In order to meet the requirements of s127 Industrial Relations Act 1996, a statement in relation to remuneration must state the period to which the statement relates. For sequential Statements ensure that the dates provide continuous coverage.

Section 127(6) of the Industrial Relations Act 1996 defines remuneration ‘as remuneration or other amounts payable to relevant employees by legislation, or under an industrial instrument, in connection with work done by the employees.’

Section 127 (11) of the Industrial Relations Act 1996 states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than $7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.

8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor you are to also obtain Subcontractor’s Statements from your subcontractors.

Statement Retention

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.

Offences in respect of a false Statement

In terms of s127(8) of the Industrial Relations Act 1996, a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence if:

(a) the person is the subcontractor;
(b) the person is authorised by the subcontractor to give the statement on behalf of the subcontractor; or
(c) the person holds out or represents that the person is authorised by the subcontractor to
give the statement on behalf of the subcontractor. In terms of s175B of the Workers Compensation Act and clause 18 of schedule 2 of the Payroll Tax Act 2007 a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence.

(ii) any payment necessary to give effect to the adjustment must be made within 7 days after the date of receipt of the adjustment note.

10. TRANSFER OF FUNCTIONS OR PUBLIC TRANSPORT AGENCY ASSETS

(a) The parties acknowledge that:

(i) a Public Transport Agency may be reconstituted, renamed, dissolved, replaced or restructured and that some or all of the powers, functions, assets, rights, liabilities or responsibilities of a Public Transport Agency may be transferred to or vested in another entity;

(ii) if a Public Transport Agency is reconstituted, renamed, dissolved, replaced or restructured and/or some or all of that Public Transport Agency's powers, functions, rights or responsibilities are transferred to or vested in another entity, then unless otherwise notified by the Public Transport Agency, references in this deed to that Public Transport Agency must, subject to any facilitative legislation, be deemed to refer, as applicable, to the reconstituted, renamed, restructured or new entity or entity replacing that Public Transport Agency to the extent that such entity has assumed or has had transferred to it or vested in it those powers, functions, rights or responsibilities; and

(iii) a Public Transport Agency may be required to or may, at its absolute discretion, elect to (including as a result of changes to New South Wales government policy or directions) acquire, or dispose of, any property or assets.
(b) The Assignee acknowledges and agrees that it must, to the extent required by a Public Transport Agency and without limiting any facilitative legislation, negotiate in good faith any variations required to this deed, or any replacement agreement or agreements for this deed to give effect to a Public Transport Agency being reconstituted, renamed, dissolved, replaced or restructured.

(c) The Assignee will be taken for all purposes to have consented to, and will not have, and no Public Transport Agency will be liable for, any claim as a result of any action, matter or circumstance referred to in, or contemplated by this clause 10.

(d) For the purposes of this clause 10 "another entity" means a government or semi-government entity including any agency, statutory corporation, statutory authority, department or state owned corporation.

11. GENERAL

11.1 Variation of rights

The exercise of a right partially or on one occasion does not prevent any further exercise of that right in accordance with the terms of this document. Neither a forbearance to exercise a right nor a delay in the exercise of a right operates as an election between rights or a variation of the terms of this document.

11.2 Amendment

This deed may only be amended in writing, signed by the parties.

11.3 Attorneys

Each attorney who executes this deed on behalf of a party declares that the attorney has no notice of the revocation or suspension by the grantor or in any manner of the power of attorney under the authority of which the attorney executes this deed and has no notice of the death of the grantor.

11.4 No fetter

Nothing in this deed abrogates or fetters, or is intended to abrogate or fetter, the lawful and proper discharge by the Assignor of any of its statutory responsibilities under any relevant laws, whether in relation to the subject matter of this deed or otherwise.

11.5 Severability

Any provision in this deed which is invalid or unenforceable in any jurisdiction is to be read down for the purposes of that jurisdiction, if possible, so as to be valid and enforceable, and is otherwise capable of being severed to the extent of the invalidity or unenforceability, without affecting the remaining provisions of this deed or affecting the validity or enforceability of that provision in any other jurisdiction.

11.6 Counterparts

This deed may be executed in any number of counterparts and all of those counterparts taken together constitute one and the same instrument.
11.7 **Further assurance**

Each party must do, sign, execute and deliver and must procure that each of its employees and agent does, signs, executes and delivers, all deeds, documents, instruments and acts reasonably required of it or them by notice from another party to carry out and give full effect to this deed and the rights and obligations of the parties under it.

11.8 **Governing law and jurisdiction**

(a) This deed is governed by the law in force in New South Wales.

(b) The parties irrevocably submit to the jurisdiction of the courts of New South Wales and any court that may hear appeals from any of those courts, for any proceedings in connection with this deed.

11.9 **Construction**

No rule of construction applies to the disadvantage of a party because that party was responsible for the preparation of, or seeks to rely on, this deed or any part of it.

11.10 **No waiver**

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

11.11 **No merger**

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this deed.

11.12 **Stamp duty**

The Assignee is responsible for paying and must pay any duty payable in respect of this deed.

11.13 **Entire agreement**

This deed is the entire agreement of the parties on the subject matter. The only enforceable obligations and liabilities of the parties in relation to the subject matter are those that arise out of the provisions contained in this deed. All representations, communications and prior agreements in relation to the subject matter are merged in and superseded by this deed.
