

# Transport Access Program

## Roseville Station Upgrade

Project update

January 2021

Transport for NSW is upgrading Roseville Station to make it easier to access, especially for people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

### Upcoming work

The Roseville Station upgrade is currently underway with piling activities completed in December. Work will continue in January and includes:

- Installation of fencing and scaffolding at the Hill Street Station entrance and around the platform
- Installation of bridge footings
- Refurbishment of the steel work and station building in preparation for the new family accessible toilet
- Service relocations and utility work throughout the station
- Excavation and concrete work for the new lift at the Hill Street entrance
- Excavation and construction of retaining walls at the Pacific Highway entrance
- Concrete work on the station platform and Hill Street
- Installing electrical containment trays in the rail corridor.

For more information call **1800 684 490**,

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/Roseville](http://transport.nsw.gov.au/Roseville)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Equipment to be used includes trucks, elevated work platform, scaffolding, concrete truck and pump, tipper truck, excavators and hand tools.

Traffic control will be in place intermittently to maintain safe pedestrian and vehicle access around the work site. There may be temporary changes to traffic flow and parking on Hill Street and Pacific Highway which will be managed by traffic control and signage, where required .

## Temporary pedestrian access and parking changes

The footpath alongside the station on Hill Street will remain closed between Lord Street and Bancroft Avenue to allow for the safe and efficient construction of the new lift. This closure will be in place until mid-2021.

A temporary pedestrian crossing has been installed near Bancroft Avenue to assist pedestrians to safely cross the road while footpath closures are in place.

Between 4 and 31 January there will be a pedestrian diversion in place to allow for the safe excavation and construction of retaining walls at the Pacific Highway station entrance. Pedestrian access will be maintained at all times.

Two parking spaces on each corner of the temporary pedestrian crossing on Hill Street will be unavailable until mid-2021 for the safety of pedestrians and motorists.

Three parking spaces near the Hill Street station entrance will be temporarily closed until mid-2021 to allow for the safe and efficient construction of the new lift. During this time, the taxi zone and kiss and ride zone will be temporarily relocated to the other side of the station entry (opposite Roseville Pharmacy).

## Location Map

*Roseville Station pedestrian changes until mid-2021*

## Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

## Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website [www.transport.nsw.gov.au/roseville](http://www.transport.nsw.gov.au/roseville).

If you would like to be added to the project distribution list, or for more information on the Roseville Station Upgrade, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
