

New Intercity Fleet

Stations and Signalling Modifications

Community Notification – Penrith Station

The NSW Government is delivering a New Intercity Fleet to replace trains carrying customers between Sydney and the Central Coast, Newcastle, the Blue Mountains and the South Coast.

The new trains feature:

- wider seats with arm rests, tray tables and high seat backs
- two-by-two seating for extra room and comfort
- improved accessibility including wheelchair access and accessible toilets
- improved customer information through digital information screens and announcements
- dedicated spaces for luggage, prams, bicycles and wheelchairs
- charging ports for mobile devices
- CCTV and help points
- modern heating and air conditioning

Project overview

Infrastructure modifications and upgrades are needed on the Blue Mountains Line to support the introduction of the New Intercity Fleet and allow for improved technology on the new trains.

Upcoming work

We will be working at **Penrith Station** during standard construction hours between **Monday 23 November and Friday 4 December 2020**, weather permitting. Activities include excavation work and installation of car markers.

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm Saturday**.

Some work may be required outside of these hours however the local community and businesses will be notified prior to work taking place.

What you may notice

Equipment to be used includes a sucker truck and powered hand tools.

Transport for NSW is committed to minimising disruption to the community. We will take every possible step to reduce noise such as turning off machinery when not in use and locating equipment as far away from residents and businesses as possible.
