

Commuter Car Park Program Schofields

Artist's impression of the proposed commuter car park, subject to detailed design.

More commuter car parking is coming to Schofields

Planning is underway to deliver additional commuter car parking spaces at Schofields Station to provide you with more convenient access to public transport and reduce congestion on our roads.

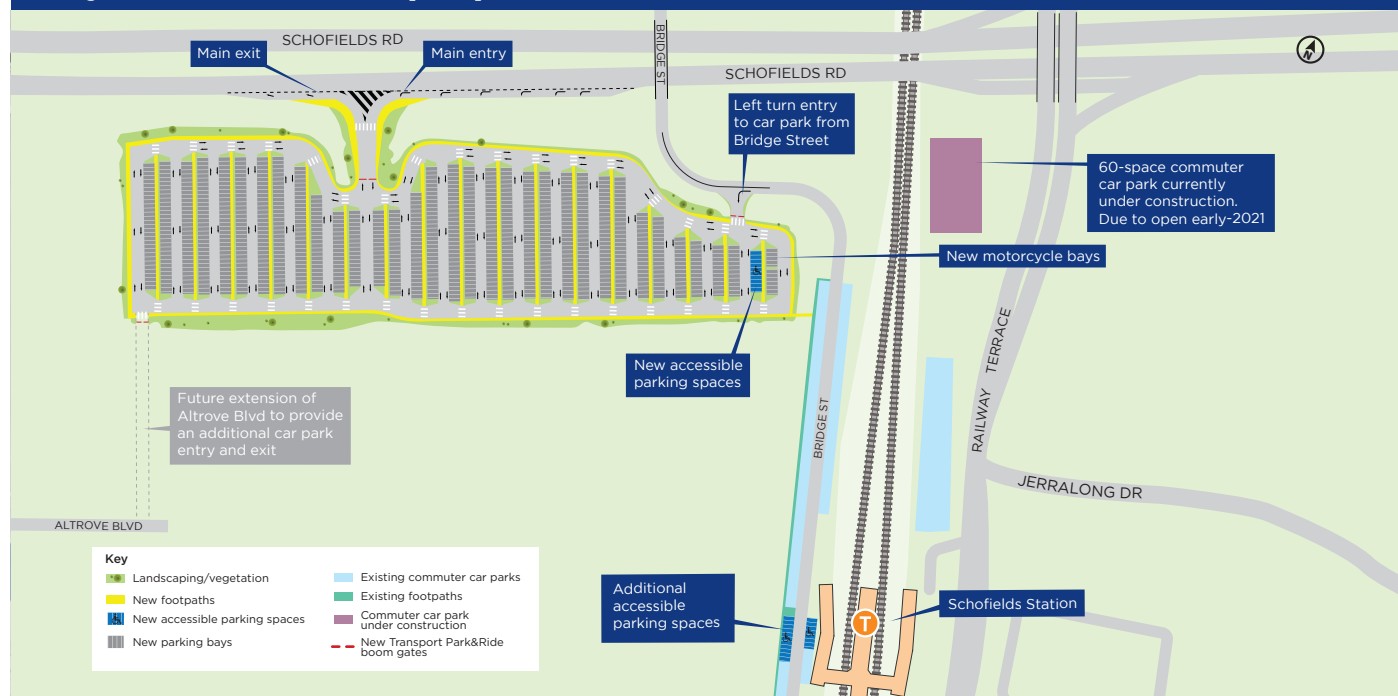

Key features of the proposal include:

- a new commuter car park with approximately 700 additional parking spaces located on vacant land to the north-west of Schofields Station
- main entry and exit to the new car park from Schofields Road and left-turn entry from Bridge Street
- additional accessible parking spaces
- dedicated motorcycle parking bays
- dedicated pathways connecting to the existing footpath along Bridge Street
- Transport Park&Ride infrastructure (Opal operated boom gates)
- CCTV, lighting, fencing and wayfinding signage for improved safety and security
- provision for future electric vehicle charging spaces
- landscaping within the car park.

Altrove Boulevard is proposed to be extended in the future, which will provide an additional entry and exit to the new car park.

Subject to planning approval, construction is expected to begin in early 2021.

Have your say on the concept design

You can view and provide feedback on the concept design by completing the online feedback form on our website at www.transport.nsw.gov.au/schofields, calling **1800 684 490** or emailing projects@transport.nsw.gov.au by **5pm Thursday 10 December 2020**. Your input will help to inform the planning approval process and will be considered during the detailed design phase of the project.

Join our livestream Q&A event

We'll be hosting a livestream Q&A event on Microsoft Teams on **Wednesday 2 December 2020 at 12:30pm**. The event will be an opportunity to hear from the project team, and ask any questions you may have about the proposal. Visit our webpage at www.transport.nsw.gov.au/schofields for the link to join the event.

Keeping you up to date

We will continue to keep you informed about the project through notifications to customers, local residents and businesses and frequent updates published on our website.

If you have any questions or would like to sign up to receive regular project updates via email, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

About the Commuter Car Park Program

The Commuter Car Park Program is a NSW Government initiative to provide you with more convenient access to public transport interchanges and help ease congestion on our roads. We have already delivered more than 10,000 commuter car spaces across Sydney since 2011, with another 8,000 on the way.
